MEASURE C - PURPOSE

The Measure C Citizen's Oversight Committee's main role is to review and monitor the Mendocino Coast Health Care District's spending to ensure it aligns with intended provisions in Measure C. The healthcare parcel tax revenue is kept in a separate account and is designated for emergency room services, attracting and retaining medical staff, maintaining ambulance and 911 services, and providing essential healthcare. No funds go to administrators' salaries, benefits, or pensions. Approved by a two-thirds majority, the tax is \$144 per parcel per year for 12 years, starting July 1, 2018, with independent oversight to ensure proper use. The Measure C ballot language describes tax funds to be spent to:

- maintain local emergency room services;
- attract and retain high quality doctors and nurses;
- maintain local ambulance and related 911 services;
- make critical repairs and upgrades to medical equipment/facilities;
- maintain local surgical services; and
- maintain local obstetric services.

ACCOUNTABILITY MEASURES

The following accountability measures, among others, shall apply to the healthcare parcel tax: (a) the specific purposes of the healthcare parcel tax shall be those purposes identified above; (b) the proceeds of the healthcare parcel tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the healthcare parcel tax must be deposited; and (d) an annual written report shall be made to the Board of Directors of the District showing (i) the amount of funds collected and expended from the proceeds of the healthcare parcel tax and (ii) the status of any projects or programs required or authorized to be funded from the proceeds of the healthcare parcel tax, as identified above. In addition to the accountability measures required by law, if any, the District will establish an independent taxpayer oversight committee to provide oversight as to the expenditure of healthcare parcel tax revenues.
