

MENDOCINO COAST HEALTH CARE DISTRICT
775 RIVER DRIVE, FORT BRAGG 95437

MEMORANDUM

TO: MCHCD Board of Directors

FROM: Paul Garza, Jr.

DATE: February 9, 2026

SUBJECT: Monthly Report

Status of the Health Care District

By the standards of our previous meetings, we have a very slim agenda tonight. That agenda is slim not because there is less work being done, quite the contrary, but because so many of the critical decisions to get that work initiated have been accomplished. This is a very good thing. It means we have managed to focus upon the real work and get it moved forward.

There are more challenges ahead of us. What surprises will be uncovered in the process of seismic retrofit construction? Can we move forward on modernization providing a hospital more able to respond to the needs in our community? We have the luxury of considering these because so much of the really hard work has been accomplished.

We, of course, will have the important responsibility of oversight.
